

Why attend the 2023 Remsoft Asia Pacific User Group Conference?

This conference is a great way for industry leaders to connect and network amongst peers to further:

- Gain knowledge and industry perspective on different planning challenges and how Remsoft's analytical technology and in-field experts are solving them.
- Discover, learn, and experience the vision and direction that Remsoft is going with their solutions and cloud platforms.
- Hear directly how Remsoft is identifying planning gaps and opportunities for further integration of their intelligent planning solutions and technology.
- Learn more about Remsoft's industry leading standard on:
 - Carbon modeling,
 - Climate Change Mitigation - Stochastic modeling, and
 - AI/Machine learning both in the realm of optimization and Remsoft Operations.
- Leverage technical tips and tricks to run our models more efficiently from senior Remsoft analysts.

To help reduce costs there is early bird pricing & hotel discount pricing, and certain meals included:

- Early Bird Registration: \$395 - *ENDS August 29, 2023*
- Regular Registration: \$495
- Student Registration: \$225
- Discount [Mantra Twin Towns Hotel](#) Pricing:
 - \$180 / Night Studio Room
 - \$230 / Night One Bedroom Apartment
 - *This hotel is a 2-minute walk from the User Group venue.*

What's included in registration? All conference sessions, day catering, a welcome lawn bowls BBQ social, and farewell happy hour.

If you attend, this conference will provide you with ways to explore practical topics and have your team's questions answered. We plan this conference so that you leave with a wealth of new knowledge, actions to further your work, as well as have an exciting time networking with your peers.
